Knowledge Partner

Dear Friends and Colleagues,

Greetings

The 17<sup>th</sup> Annual Indian National Stroke Conference of Indian Stroke Association, INSC 2024 will be held in Kolkata between 28<sup>th</sup> March - 31<sup>th</sup> March, 2024

In this highly dynamic era of medical science, exchange of ideas and experience can guide us to deal with the challenges in the clinical practice. We believe that up-coming residents doing DM or DNB Neurology need assorted opportunities to prove their talent through healthy competition.

**Stroke Quiz** is one of the most exciting and thrilling quiz awaited sessions of INSC' 2024 conference, will be held on **30<sup>th</sup> March 2024 (Saturday)**.

This Quiz will include MCQs, difficult real life cases, historical events in Neurology, challenges in Stroke management rounds and much more...

The following steps to be noted for participation.

**Step 1: Registration:** Kindly click on link for registration (**[www.insckolkata2024.com](http://www.insckolkata2024.com)**). It is mandatory to register for participation in the quiz which provides you with an unique passcode. The Registration link will open from 11<sup>th</sup> March 2024.

**Step 2: Online Round:** There will be an online screening round through the same link of registration. The link will remain open from 14<sup>th</sup> to 18<sup>th</sup> March 2024.

**Step 3: Zonal toppers:** Following the screening round, top 3 scorers from each zone of the country (North, West, East and South) will be selected to participate in the Preliminary round of the quiz (total of 12 participants) and will be intimated about the same.

**Step 4: Final Round:**

- A. Preliminary round:** The Preliminary round of Stroke Quiz shall be held during the INSC 2024 at Kolkata, India, on **29<sup>th</sup> March 2024**.
- B. Final round:** The final round of Stroke Quiz shall be held during the INSC 2024 at Kolkata, India, on **30<sup>th</sup> March 2024**. (Top 6 scorers from preliminary round will be selected for the final round)

We sincerely hope that students will be excited to participate in the quiz. The round will comprise of wide range of clinical case scenarios, videos, interesting neurological and electro-physiological puzzles and many more.

We solicit an enthusiastic participation from your side.

Regards and best wishes
